INDEPENDENT ACCOUNTANTS' AUDIT REPORT

Board of Mayor and Aldermen
Town of Cumberland Gap, Tennessee
Cumberland Gap, Tennessee

Report on the Financial Statements

We have audited the accompanying financial statements of the governmental activities, the business-type activities and each major fund of Town of Cumberland Gap, Tennessee as of and for the year ended June 30, 2021, and the related notes to the financial statements, which collectively comprise Town of Cumberland Gap, Tennessee's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on the financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditors consider internal control relevant to the preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinions

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, the business-type activities and each major fund of Town of Cumberland Gap, Tennessee as of June 30, 2021, the respective changes in its financial position and, where applicable, cash flows thereof and the respective budgetary comparison of the general fund and the drug fund for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Required Supplementary Information/Management's Discussion and Analysis

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis on pages 4 to 10 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic or historical context. We have applied certain limited procedures to the management's discussion and analysis in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements that collectively comprise Town of Cumberland Gap, Tennessee's financial statements. The accompanying other supplementary information is presented for purposes of additional analysis and is not a required part of the financial statements.

The schedules of investments, property taxes receivable, long-term debt requirements, changes in long-term debt by individual issue and expenditures of state financial assistance are the responsibility of management and were derived from and relate directly to the underlying accounting and other records used to prepare the financial statements. Such information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedules of investments, property taxes receivable, long-term debt requirements, changes in long-term debt by individual issue and expenditures of state financial assistance are fairly stated in all material respects in relation to the basic financial statements as a whole.

The schedules of utility rates and metered customers, water utility reporting worksheet, water utility performance indicators, principal officials and management's corrective action plan have not been subjected to the auditing procedures applied in the audit of the basic financial statements and, accordingly, we do not express an opinion or provide any assurance on them.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated January 21, 2022, on our consideration of Town of Cumberland Gap, Tennessee's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Town of Cumberland Gap, Tennessee's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Town of Cumberland Gap, Tennessee's internal control over financial reporting and compliance.

A handwritten signature in black ink that reads "Mitchell Emert + Hill". The signature is written in a cursive, flowing style.

Management's Discussion and Analysis For the Year Ended June 30, 2021

The management of Town of Cumberland Gap, Tennessee (the Town) presents this management's discussion and analysis (MD&A) of the Town's financial condition and results of operations for the fiscal year ended June 30, 2021. This information should be read in conjunction with the accompanying financial statements.

This MD&A also presents an overview of the Town, including the water and sewer fund, known as the primary government. The government-wide financial statements include only the primary government which is the total reporting entity.

Financial Highlights

The following are key financial highlights:

- The assets of the Town were more than its liabilities at June 30, 2021 by \$3,250,215 (\$3,223,968 in 2020).
- The Town's net position increased by \$26,248 (decreased by \$43,161 in 2020) or 0.8 percent during the year ended June 30, 2021 (1.3 percent during 2020).
- At June 30, 2021 the Town's governmental funds reported combined ending fund balances of \$352,608, an increase of \$77,473 for the year ended June 30, 2021. At June 30, 2020 the Town's governmental funds reported combined ending fund balances of \$275,135, an increase of \$30,003 for the year ended June 30, 2020. As of June 30, 2021, \$351,267 (\$273,433 in 2020) of governmental fund balances is unassigned and available for ongoing operations.
- At June 30, 2021 the unassigned general fund balance was \$351,267 (\$273,433 in 2020) or 157 percent (150 percent in 2020) of general fund expenditures. These unassigned fund balances demonstrate the Town's fiscal discipline and will help meet unexpected emergencies and other uncertainties the Town may face during the course of everyday operations.

Overview of the Financial Statements

This discussion and analysis is intended to serve as an introduction to the Town's basic financial statements. The Town's basic financial statements are comprised of three components: (1) government-wide financial statements, (2) fund financial statements, including budget comparisons, and (3) notes to the financial statements. This report also contains other supplementary information in addition to the basic financial statements.

Government-Wide Financial Statements - The *government-wide financial statements* are designed to provide readers with a broad overview of the Town's finances in a manner similar to a private-sector business.

The *statement of net position* presents information on all the Town's assets and liabilities with the difference between the two reported as *net position*. Over time, increases or decreases in net position may serve as a useful indicator of whether the financial position of the Town is improving or deteriorating. The *statement of activities* presents information showing how the Town's net position changed during the most recent fiscal year. All changes in net position are reported as soon as the underlying event giving rise to the change occurs, *regardless of the timing of the related cash flows*. Thus, revenue and expenses are reported in this statement for some items that will only result in cash flows in future fiscal periods.

Both of the government-wide financial statements report functions of the Town that are principally supported by taxes and intergovernmental revenue (governmental activities). The governmental activities of the Town include the following:

- General government
- Highways and streets
- Public safety
- Parks and recreation
- Solid waste management

The business-type activities of the Town include water and sewer services provided by the water and sewer fund.

The government-wide financial statements can be found on pages 11 and 16 of this report.

Fund Financial Statements - A *fund* is a grouping of related accounts that is used to maintain control over resources that have been segregated for specific activities or objectives. The Town, like other state and local governments, uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements. All of the funds of the Town can be divided into two categories: governmental funds and proprietary funds.

Governmental Funds - Governmental funds are used to account for essentially the same functions reported as *governmental activities* in the government-wide financial statements. However, unlike the government-wide financial statements, governmental fund financial statements focus on *near-term inflows and outflows of spendable resources*, as well as on *balances of spendable resources* available at the end of the fiscal year.

Such information may be useful in evaluating a government's near-term financing requirements. Because the focus of the governmental funds is narrower than that of the government-wide financial statements, it is useful to compare the information presented for *governmental funds* with similar information presented for *governmental activities* in the government-wide financial statements.

By doing so, readers may better understand the long-term impact of the Town's near-term financing decisions. Both the governmental funds balance sheet and the governmental funds statement of revenue, expenditures and changes in fund balances provide a reconciliation to facilitate this comparison between *governmental funds* and *governmental activities*.

The Town maintains two individual governmental funds. Information is presented separately in the governmental funds balance sheet and in the governmental funds statement of revenue, expenditures and changes in fund balances for the general fund and drug fund, which are considered to be major funds. To demonstrate compliance with the budget, budgetary comparison statements have been provided for all major funds and are presented on pages 22 to 27.

Proprietary Funds - Proprietary funds are used to account for activities where the emphasis is placed on net income determination. The Town maintains one type of proprietary fund - enterprise funds. Enterprise funds are used to report the same functions presented as business-type activities in the government-wide financial statements. The Town has one enterprise fund to account for water distribution and sewer collection.

The Town's enterprise fund, the water and sewer fund, is a major fund and is reported separately in the government-wide and fund financial statements. The proprietary fund financial statements are presented on pages 28 to 32 in the basic financial statements.

Notes to the Financial Statements - The notes to the financial statements provide additional information that is essential to the full understanding of the data provided in the government-wide and fund financial statements.

Internal Control and Compliance Section - This includes the auditors' report on the Town's internal controls and compliance and a schedule of finding, recommendation and management response.

Government-Wide Financial Analysis

As noted earlier, net position may serve over time as a useful indicator of a government's financial position. At June 30, 2021 the Town's net position was \$3,250,215 (\$3,223,968 in 2020).

By far, the largest portion of the Town's net position reflects its investment in capital assets (e.g., land, buildings, water and sewer facilities, machinery and equipment), less any related debt used to acquire those assets that are still outstanding. The Town uses these capital assets to provide services; consequently, these assets are *not* available for future spending. Although the investment in capital assets is reported net of related debt, it should be noted that the resources needed to repay this debt must be provided from other sources, since the capital assets themselves cannot be used to liquidate long-term debt.

At June 30 the Town's statement of net position consisted of the following:

	<u>2021</u>	<u>2020</u>
ASSETS		
Current assets	\$ 687,119	\$ 533,741
Capital assets, net of accumulated depreciation	<u>2,915,069</u>	<u>3,055,758</u>
	<u>\$ 3,602,188</u>	<u>\$ 3,589,499</u>
LIABILITIES		
Current liabilities	\$ 28,282	\$ 30,900
Noncurrent liabilities	<u>276,900</u>	<u>287,147</u>
	305,182	318,048
DEFERRED INFLOWS OF RESOURCES		
Deferred property tax revenue	46,791	47,483
NET POSITION		
Net investment in capital assets	2,627,069	2,762,080
Restricted	1,039	1,401
Unrestricted	<u>622,107</u>	<u>460,487</u>
	<u>3,250,215</u>	<u>3,223,968</u>
	<u>\$ 3,602,188</u>	<u>\$ 3,589,499</u>

A portion of the Town's net position represents resources that are subject to external restrictions on how they may be used. The unrestricted net position may be used to meet the obligations to employees and creditors and to help fund next year's budget.

Following is a summary of financial activities for the Town during the fiscal year:

	<u>2021</u>	<u>2020</u>
REVENUE		
Program Revenue:		
Fees, fines and charges for services	\$ 304,134	\$ 264,051
Operating grants and contributions	80,730	35,850
General Revenue:		
Local taxes	110,491	88,128
Intergovernmental	72,721	59,994
Investment earnings	<u>3,073</u>	<u>3,840</u>
	571,149	451,863

	<u>2021</u>	<u>2020</u>
EXPENSES		
General government	60,506	58,645
Public safety	45,547	44,987
Highways and streets	91,162	58,616
Sanitation	26,087	25,765
Public welfare	27,740	29,003
Water and sewer	<u>293,860</u>	<u>278,008</u>
	<u>544,901</u>	<u>495,024</u>
Increase(decrease) in net position	26,248	(43,161)
Net position at the beginning of the year	<u>3,223,968</u>	<u>3,267,129</u>
Net position at the end of the year	<u>\$ 3,250,215</u>	<u>\$ 3,223,968</u>

Governmental Activities - For the year ended June 30, 2021, governmental activities increased the Town's net position by \$51,495 (decreased by \$5,522 in 2020).

The Town's main sources of revenue are from property tax, local option sales tax, and local and state-shared taxes which consist of tax revenue shared by the State of Tennessee. Property, local and state shared taxes all increased during the year ended June 30, 2021 due to improvements in the economy. Intergovernmental revenue also increased during the year ended June 30, 2021 due to covid relief funds received from the State of Tennessee. Highway expenses increased during the year ended June 30, 2021 due to additional paving expense.

Business-Type Activities - For the year ended June 30, 2021, business-type activities decreased the Town's net position by \$25,247 (\$37,639 in 2020). Charges for service during the year ended June 30, 2021 increased from the year ended June 30, 2020 due to an increase in utility rates.

Capital Assets

The Town's investment in capital assets as of June 30, 2021 was \$2,915,069 (\$3,055,758 in 2020) net of accumulated depreciation.

	<u>2021</u>	<u>2020</u>
Land	\$ 79,998	\$ 79,998
Machinery and equipment	449,702	432,519
Buildings	900,382	900,382
Plant	3,583,860	3,583,860
Vehicles	240,633	237,633
Accumulated depreciation	<u>(2,339,506)</u>	<u>(2,178,634)</u>
	<u>\$ 2,915,069</u>	<u>\$ 3,055,758</u>

The major capital asset additions during the year ended June 30, 2021 were as follows:

Vehicles	\$ 3,000
Machinery and equipment	<u>17,183</u>
	<u>\$ 20,183</u>

Debt Administration

At June 30, 2021 the Town's governmental funds had no outstanding debt.

At June 30, 2021 the Town's proprietary funds had outstanding debt of \$288,000 (\$293,679 in 2020) consisting of the following:

	<u>2021</u>	<u>2020</u>
Rural Development loan	\$ 288,000	\$ 293,679
Less: current portion due	<u>(11,100)</u>	<u>(6,532)</u>
Total long-term debt-principal	<u>\$ 276,900</u>	<u>\$ 287,147</u>

During the year ended June 30, 2021, the Town refinanced \$288,000 and retired \$5,679 of its proprietary fund debt. During the year ended June 30, 2020, the Town retired \$6,192 of its proprietary fund debt.

Financial Analysis of the Town's Funds

As previously discussed, the Town uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements.

Governmental Funds - The focus of the Town's governmental funds is to provide information on near-term inflows, outflows and balances of spendable resources. Such information is useful in assessing the Town's financing requirements. In particular, unreserved fund balance may serve as a useful measure of a government's net resources available for spending at the end of the fiscal year. The general fund's fund balance increased by \$77,835 during the year ended June 30, 2021 (\$30,335 in 2020).

Proprietary Funds - The Town's proprietary funds provide the same type of information found in the government-wide financial statements, but in more detail. The unrestricted net position for the water and sewer fund for the year ended June 30, 2021 was \$256,564 (\$173,439 in 2020), which is 7 percent (7 percent in 2020) of total net position of the water and sewer fund.

Budgetary Highlights

During the year ended June 30, 2021, general fund original budgeted revenue was increased due to higher than anticipated property, local and state shared taxes. General Fund appropriations for expenditures were increased to allow for additional supplies and repairs and maintenance expenses.

There were no changes between original budgeted revenue or expenditures and the final amended budgeted revenue or expenditures for the drug enforcement fund.

Economic Factors and Next Year's Budgets and Rates

The Board of Mayor and Aldermen approved the budget for the year ending June 30, 2022. The estimated revenue and appropriations did not vary significantly from the budget for the year ended June 30, 2021.

Requests for Information

This MD&A and accompanying financial statements and notes are designed to provide our citizens, employees, creditors and regulatory agencies with an overview of the Town's finances. If you have any questions or need additional information, you may contact:

**RECONCILIATION OF THE GOVERNMENTAL FUNDS BALANCE SHEET
TO THE STATEMENT OF NET POSITION**

June 30, 2021

Total Fund Balance - Governmental Funds	\$ 352,608
Capital assets used in governmental activities are reported in the statement of net position; however, they are not current financial resources and therefore are not reported in the governmental funds balance sheet.	567,753
Some of the Town's taxes will be collected after year-end, but are not available soon enough to pay for the current year's expenditures; therefore, they are reported as deferred revenue in the governmental funds balance sheet.	<u>13,974</u>
Net Position of Governmental Activities	<u><u>\$ 934,335</u></u>

See the accompanying notes to the financial statements.

TOWN OF CUMBERLAND GAP, TENNESSEE

NOTES TO THE FINANCIAL STATEMENTS

June 30, 2021

NOTE A - DESCRIPTION OF ORGANIZATION

Town of Cumberland Gap, Tennessee (the Town) was incorporated under Chapter 210, Acts of 1907, as amended by Chapter 72, Private Acts of 1915. The Town operates under a Board of Mayor and Aldermen form of government and provides the following services as authorized by its charter: public safety (police and fire), highways and streets, water and sewer utilities, public improvements, planning and zoning, and general administrative services.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Reporting Entity

The Town, for financial reporting purposes, includes all funds relevant to the operation of Town of Cumberland Gap, Tennessee. The financial statements presented herein do not include agencies that have been formed under applicable state laws, or separate and distinct units of government apart from the Town. As of June 30, 2021, and for the year then ended, the Town had no discretely presented component units which were required to be included in these financial statements.

Government-Wide and Fund Financial Statements

The government-wide financial statements, which consist of the statement of net position and the statement of activities, report information on all of the nonfiduciary activities of the Town. Governmental activities, which normally are supported by taxes and intergovernmental revenue, are reported separately from business-type activities, which rely to a significant extent on fees and charges for support.

The statement of activities demonstrates the degree to which the direct expenses of a given function or segment are offset by program revenue. Direct expenses are those that are clearly identifiable with a specific function or segment. Program revenue includes charges to customers or applicants who purchase, use, or directly benefit from goods, services, or privileges provided by a given function or segment and grants and contributions that are restricted to meeting the operational or capital requirements of a particular function or segment. Taxes and other items not properly included among program revenue are reported instead as general revenue. Separate financial statements are provided for governmental funds and proprietary funds. Major individual governmental funds and major individual enterprise funds are reported as separate columns in the fund financial statements.

TOWN OF CUMBERLAND GAP, TENNESSEE

NOTES TO THE FINANCIAL STATEMENTS

(continued)

June 30, 2021

Measurement Focus, Basis of Accounting and Basis of Presentation

The government-wide financial statements are reported using the economic resources measurement focus and the accrual basis of accounting, as are the proprietary fund financial statements. Revenue is recorded when earned and expenses are recorded when a liability is incurred, regardless of the timing of the related cash flow. Property taxes are recognized as revenue in the year for which they are levied. Grants and similar items are recognized as revenue as soon as all eligible requirements imposed by the provider have been met.

Governmental fund financial statements are reported using the current financial resources measurement focus and the modified accrual basis of accounting. Revenue is recognized as soon as it is both measurable and available. Revenue is considered to be available when it is collectible within the current period or soon enough thereafter to pay liabilities of the current period. For this purpose, the Town considers revenue to be available if it is collected within 30 days of the end of the current fiscal period. Expenditures generally are recorded when a liability is incurred, as under accrual accounting. However, debt service expenditures and expenditures related to claims and judgments, are recorded only when the payment is due.

All trade receivables are shown net of an allowance for uncollectible accounts. Property taxes receivable are recognized as of the date an enforceable legal claim to the taxable property arises. In Tennessee, this date is January 1st, and is referred to as the lien date. Revenue from property taxes, however, is recognized in the period for which the taxes are levied, which for the Town is October 1st of the ensuing fiscal year. Since the receivable for property taxes is recognized before the period of revenue recognition, the entire amount of the receivable, less an estimated amount for uncollectible taxes, is reported as deferred revenue in the fund financial statements and unearned revenue in the government-wide financial statements as of June 30.

Property taxes receivable are also reported as of June 30 for the taxes that are levied and uncollected during the current fiscal year as well as the previous two fiscal years. These property tax receivables are presented on the general fund balance sheet with offsetting deferred revenue to reflect the amounts not available as of June 30. Property taxes collected within 60 days of year end are considered available and are accrued as revenue. Property taxes collected later than 60 days after year end are not considered available and are accrued and reported as deferred revenue. An allowance for uncollectible taxes is also recorded representing the estimated amount of delinquent taxes receivable that will be filed with the Claiborne County Clerk and Master for collection.

TOWN OF CUMBERLAND GAP, TENNESSEE

NOTES TO THE FINANCIAL STATEMENTS

(continued)

June 30, 2021

The Town reports the following major governmental funds:

The *general fund* is the Town's primary operating fund. It accounts for all financial resources of the general government, except those required to be accounted for in another fund.

The *drug fund* is used to account for costs associated with drug investigation and control and officers' training.

The Town reports the following major proprietary fund:

The *water and sewer fund* accounts for the activities of the water and sewer departments, which operate and maintain a water distribution and sewer collection system for residents and businesses on a user charge basis.

All activities necessary to provide these services are accounted for in such a manner as to show profit or loss similar to comparable private enterprises.

The Town had no internal service funds or fiduciary funds as of or for the year ended June 30, 2021.

Proprietary fund financial statements include a statement of net position, a statement of revenue, expenses and changes in net position and a statement of cash flows for each major proprietary fund. Proprietary funds are accounts for using the economic resources measurement focus and the accrual basis of accounting. Accordingly, all assets and liabilities (whether current or noncurrent) are included in the statement of net position. The statement of revenue, expenses and change in net position presents increases (revenue) and decreases (expenses) in total net position. Under the accrual basis of accounting, revenue is recognized in the period in which it is earned while expenses are recognized in the period in which the liability is incurred.

Proprietary funds distinguish operating revenue and expenses from nonoperating items. Operating revenue and expenses generally result from providing services and producing and delivering goods in connection with a proprietary fund's principal ongoing operations. The principal operating revenue of the Town's proprietary funds is charges to customers for sales and services. The Town also recognizes as operating revenue the portion of connection fees intended to recover the cost of connecting new customers to the system. Operating expenses for proprietary funds include the cost of sales and services, administrative expenses and depreciation on capital assets. All revenue and expenses not meeting this definition are reported as nonoperating revenue and expenses.

TOWN OF CUMBERLAND GAP, TENNESSEE

NOTES TO THE FINANCIAL STATEMENTS

(continued)

June 30, 2021

As a general rule, the effect of interfund activity has been eliminated from the government-wide financial statements. Exceptions to this rule are charges between the Town's water and sewer function, and various other functions of the Town. Elimination of these charges would distort the direct costs and program revenue reported in the various functions concerned.

Governmental Accounting Standards Board (GASB) Statement No. 34, *Basic Financial Statements-and Management's Discussion and Analysis-for State and Local Governments* establishes standards for external financial reporting for state and local governments and requires that resources be classified for accounting reporting purposes into the following three net position groups:

Net Investment in Capital Assets

This category includes capital assets, net of accumulated depreciation and outstanding principal balances of debt attributable to the acquisition, construction or improvement of those assets.

Net investment in capital assets at June 30, 2021 has been calculated as follows:

Governmental Activities:

Capital assets	\$ 1,315,772
Accumulated depreciation	<u>(748,019)</u>
	<u>\$ 567,753</u>

Business-Type Activities:

Water and Sewer Fund:	
Capital assets	\$ 3,938,803
Accumulated depreciation	(1,591,487)
Principal balance on long-term debt	<u>(288,000)</u>
	<u>\$ 2,059,316</u>

TOWN OF CUMBERLAND GAP, TENNESSEE

NOTES TO THE FINANCIAL STATEMENTS

(continued)

June 30, 2021

Restricted

This category includes net position whose use is subject to externally imposed stipulations that can be fulfilled by actions of the Town pursuant to those stipulations or that expire by the passage of time. Net position of the drug fund is classified as restricted net position because its use is limited to police drug enforcement or education programs. When both restricted and unrestricted resources are available for use, it is the Town's policy to use restricted resources first, then unrestricted resources as they are needed.

Unrestricted

This category includes net position that is not subjected to externally imposed stipulations and that does not meet the definition of "Restricted" or "Net Investment in Capital Assets." Unrestricted net position may be designated for specific purposes by action of management or the Board of Mayor and Aldermen or may otherwise be limited by contractual agreements with outside parties.

Fund Balances

Governmental Accounting Standards Board Statement No. 54, *Fund Balance Reporting and Governmental Fund Type Definitions* establishes standards for fund balance classifications for state and local governments and requires that resources be classified for accounting reporting purposes into the following fund balances:

Nonspendable Fund Balances

Fund balances reported as nonspendable in the accompanying financial statements represent amounts for prepaid expenses or inventory.

Restricted Fund Balances

Fund balances reported as restricted in the accompanying financial statements represent amounts restricted to specific purposes by externally imposed restrictions or imposed by law through constitutional provisions or enabling legislation.

Assigned Fund Balances

Fund balances reported as assigned in the accompanying financial statements represent amounts that are constrained by the Town's intent to be used for a specific purpose but are neither restricted nor committed. This intent is expressed by the Board of Mayor and Aldermen.

TOWN OF CUMBERLAND GAP, TENNESSEE

NOTES TO THE FINANCIAL STATEMENTS

(continued)

June 30, 2021

Unassigned Fund Balance

In accordance with generally accepted accounting principles, the general fund is the only fund of the Town that reports amounts for unassigned fund balance. This classification represents fund balance that is not nonspendable and has not been committed to specific purposes within the general fund.

Committed Fund Balances

Fund balances reported as committed in the accompanying financial statements represent amounts that can be used only for the specific purposes determined by a formal action of the Town's highest level of decision-making authority. The Board of Mayor and Aldermen commits resources for specific purposes by passing ordinances.

The Town would typically use restricted resources first, followed by committed resources, and then assigned resources, as appropriate opportunities arise, but reserves the right to selectively spend unassigned resources first to defer the use of these other classified funds.

Budgets and Budgetary Accounting

The Board of Mayor and Aldermen are required to adopt, by ordinance, total budget appropriations by line item for all funds. The Town's budgetary basis of accounting is consistent with generally accepted accounting principles (GAAP). All budget amendments must be approved by the Board of Mayor and Aldermen. Unused appropriations lapse at the end of the year.

Capital Assets

Capital assets, which include property, plant and equipment, are reported in the applicable governmental or business-type activities columns on the government-wide financial statements. Capital assets are defined by the Town as assets with an initial cost as follows:

Buildings and infrastructure	\$ 10,000
Improvements other than buildings	5,000
Equipment	2,500
Land	500
Construction in process	Tied to asset class

Such assets are recorded at historical cost or estimated historical cost if actual historical cost is not available. Donated capital assets are valued at estimated fair value on the date of donation. Depreciation is computed using the straight-line method over the estimated useful lives of the assets.

TOWN OF CUMBERLAND GAP, TENNESSEE

NOTES TO THE FINANCIAL STATEMENTS

(continued)

June 30, 2021

Compensated Absences

Employees of the Town are granted vacation and sick leave in varying amounts and may accumulate a maximum of 15 vacation days and 30 sick days. The Town's policies do not provide for an employee to be paid for any unused vacation or sick leave in the event of termination. Accordingly, no liability for compensated absences is included in the accompanying financial statements.

Inventory

Inventory which consists of materials and supplies is reported at the lower of cost (determined on a first-in, first-out basis) or net realizable value.

Allowance for Uncollectible Accounts

An allowance for uncollectible accounts of \$10,000 is provided based upon historical trends.

NOTE C - CASH AND INVESTMENTS

Investments that have maturities of three months or less at the date of purchase are classified as cash equivalents. Cash and investments are stated at cost, which approximates market value. Carrying amounts at June 30, 2021 were as follows:

	<u>Governmental Activities</u>	<u>Business-Type Activities</u>	<u>Totals</u>
Checking and savings accounts	\$ 265,940	\$ 236,607	\$ 502,547
Certificate of deposit	<u>82,912</u>	<u>0</u>	<u>82,912</u>
Total	<u>\$ 348,852</u>	<u>\$ 236,607</u>	<u>\$ 585,459</u>

State of Tennessee law authorizes the Town to invest in obligations of the United States of America or its agencies, nonconvertible debt securities of certain federal agencies, other obligations guaranteed as to principal and interest by the United States of America or any of its agencies, secured certificates of deposit and other evidences of deposit in state and federal banks and savings and loan associations, and the Tennessee Department of Treasury Local Government Investment Pool (LGIP). The LGIP contains investments in certificates of deposit, U.S. Treasury securities and repurchase agreements, backed by the U.S. Treasury securities. The Treasurer of the State of Tennessee administers the investment pool.

TOWN OF CUMBERLAND GAP, TENNESSEE

NOTES TO THE FINANCIAL STATEMENTS

(continued)

June 30, 2021

All deposits with financial institutions in excess of Federal Deposit Insurance Corporation (FDIC) limits are required to be secured by one of two methods. Excess funds can be deposited with a financial institution that participates in the State of Tennessee Bank Collateral Pool. For deposits with financial institutions that do not participate in the State of Tennessee Bank Collateral Pool, state statutes require that all deposits be collateralized with collateral whose market value is equal to 105 percent of the uninsured amount of the deposits. All cash balances at June 30, 2021 were entirely insured through the Federal Deposit Insurance Corporation.

NOTE D - CAPITAL ASSETS

Capital assets activity for the year ended June 30, 2021 was as follows:

	<u>Balance</u> <u>7/1/20</u>	<u>Additions</u>	<u>Retirements</u>	<u>Balance</u> <u>6/30/21</u>

	<u>\$ 2,461,367</u>	<u>\$ (114,051)</u>	<u>\$ 0</u>	<u>\$ 2,347,316</u>

NOTE E - RISK MANAGEMENT

The Town is exposed to various risks of loss related to torts; theft of, damage to, and destruction of assets; errors and omissions; injuries to employees; and natural disasters. The Town participates in the Public Entity Partners Risk Management Pool (the Pool) and pays an annual premium to the Pool for its worker's compensation and general liability insurance. The Town carries commercial insurance for all other risks of loss, including destruction of property and employee dishonesty bonds. Settled claims resulting from these risks have not exceeded commercial insurance coverage in any of the past three fiscal years. The pooling agreement allows the Pool to make additional assessments or refund surplus revenue to the Town. It is not possible to estimate the amount of such additional assessments or refunds.

TOWN OF CUMBERLAND GAP, TENNESSEE

NOTES TO THE FINANCIAL STATEMENTS

(continued)

June 30, 2021

NOTE F - STATE STREET AID FUNDS

Tennessee Code Annotated Section 54-4-204 restricts funds generated from certain gasoline taxes for use on street repairs and maintenance. At June 30, 2021 the Town held the following funds restricted for this purpose:

Beginning restricted balance	\$	0
Gasoline tax proceeds		17,756
Street repairs and maintenance expenditures		<u>(17,756)</u>
	\$	<u>0</u>

NOTE G - LONG-TERM DEBT

Long-term debt at June 30, 2021 consisted of the following:

Business-Type Activities:

Sewer System Revenue and Tax Refunding Bond, Series 2021		
interest rate of 2.64%, principal installments due		
annually in varying amounts through May 2041		\$ 288,000
Less current maturities		<u>(11,100)</u>
		<u>\$ 276,900</u>

The net revenue of the water and sewer fund and the taxing authority of the Town are pledged for the repayment of the principal and interest maturities.

TOWN OF CUMBERLAND GAP, TENNESSEE

NOTES TO THE FINANCIAL STATEMENTS

(continued)

June 30, 2021

Maturities of long-term debt as of June 30, 2021 are as follows:

Business-Type Activities:

<u>Year Ending June 30:</u>	<u>Principal</u>	<u>Interest</u>	<u>Totals</u>
2022	\$ 11,100	\$ 7,540	\$ 18,640

Total annual cost of operating water system: [+](#) [?](#) [10](#) \$/Year
Customer retail unit cost (applied to Apparent Losses): [+](#) [?](#) [10](#) \$/1000 gallons (US)
Variable production cost (applied to Real Losses): [+](#) [?](#) [10](#) \$/Million gallons Use Customer Retail Unit Cost to value real losses

WATER AUDIT DATA VALIDITY SCORE:

***** YOUR SCORE IS: 87 out of 100 *****

A weighted scale for the components of consumption and water loss is included in the calculation of the Water Audit Data Validity Score

PRIORITY AREAS FOR ATTENTION:

Based on the information provided, audit accuracy can be improved by addressing the following components:

1: Water imported

2: Unauthorized consumption

3: Systematic data handling errors

See the accompanying independent accountants' audit report.

INTERNAL CONTROL

AND

COMPLIANCE

INDEPENDENT ACCOUNTANTS' REPORT ON INTERNAL CONTROL OVER
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS
BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN
ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

Board of Mayor and Aldermen
Town of Cumberland Gap, Tennessee
Cumberland Gap, Tennessee

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States of America, the financial statements of the governmental activities, the business-type activities and each major fund of Town of Cumberland Gap, Tennessee as of and for the year ended June 30, 2021, and the related notes to the financial statements, which collectively comprise Town of Cumberland Gap, Tennessee's basic financial statements, and have issued our report thereon dated February 7, 2022.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered Town of Cumberland Gap, Tennessee's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing an opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Town of Cumberland Gap, Tennessee's internal control. Accordingly, we do not express an opinion on the effectiveness of Town of Cumberland Gap, Tennessee's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of Town of Cumberland Gap, Tennessee's financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that were not identified. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. We did identify certain deficiencies in internal control, described in the accompanying schedule of finding, recommendation and management response as item 2021-001 that we consider to be a significant deficiency.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Town of Cumberland Gap, Tennessee's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Town of Cumberland Gap, Tennessee's Response to the Finding

Town of Cumberland Gap, Tennessee's response to the finding identified in our audit is described in the accompanying schedule of finding, recommendation and management response. Town of Cumberland Gap, Tennessee's response was not subjected to the auditing procedures applied in the audit of the financial statements and, accordingly, we express no opinion on it.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Town of Cumberland Gap, Tennessee's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Town of Cumberland Gap, Tennessee's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

February 7, 2022

TOWN OF CUMBERLAND GAP, TENNESSEE

FINDING, RECOMMENDATION AND MANAGEMENT RESPONSE

Year Ended June 30, 2021

Finding Number 2021-001 - Segregation of Duties (uncorrected from prior year)

Condition: A lack of segregation of duties exists in the areas of issuing cash receipts, preparing bank deposits, posting accounting transactions, and preparing bank reconciliations.

Cause: This condition is as a result of the limited number of personnel available.

Criteria: Sound internal controls include the division of accounting responsibilities to help mitigate the possibility of fraud, misappropriation of assets and improper financial reporting.

Effect or potential effect: A lack of segregation of duties could result in misappropriation of assets or fraudulent financial reporting.

Recommendation: Accounting duties should be divided among existing personnel and board members to ensure proper segregation of duties. The Board of Mayor and Aldermen should consider the cost and benefit of adding additional staff members to ensure that proper segregation of duties exists.

Management Response: We concur and will divide the duties among the existing personnel as best we can. We have a limited number of personnel and do not have the resources to hire additional staff. An Alderman reviews monthly bank statements and bank reconciliations to provide some oversight over the cash receipts process. We will continue to look for opportunities to strengthen internal controls and oversight over financial reporting and cash receipts.
