

August 2022

Greetings, Gap Residents!!

Your **Tennessee Downtowns** Steering Committee is pleased to share with you a quick update on this exciting 2-year project for Cumberland Gap....

- Notes from the July 2022 visit from our Tennessee State program leaders are available to you on the town's website on the "Tennessee Downtowns 2022-2024" page.
- We have received our "Preliminary Assessment Report" from the state and are in the process of reviewing it. Our edits to the report are due back to the state in the coming week.
- We are on schedule to participate in upcoming webinars (September/October) and the offsite workshop with other towns participating in this program (November).

As always, please reach out to any member of the Steering Committee if you have any questions, need additional information, or want to be an active participant in this project. You can see from our July visit notes that we have A LOT of work to do, and we are eager to work with all who are willing to help!
