REACH Alert Signups

Residents and Business Owners of the Town of Cumberland Gap

We understand the importance of communicating with you and ensuring that we keep you in the loop regarding events affecting the Town of Cumberland Gap. As a result, we are pleased to announce that we are initiating a new notification service called REACH Alert.

This new service will allow us to immediately share important information regarding a number of items, including waterline breaks/boil water advisories, water shut-offs due to non-payment, road closures, fire hydrant flushing, events, etc.

As good as this service is, if you don't register, we can't share important information with you. You decide if you want a text message, voice call, or an email. Each household can register up to 4 phone numbers and 4 email addresses.

If you don't register, you won't receive our messages.

Thank you.
